**(Environmental Management Institute)**

**5610 Crawfordsville Rd, Entry 15; Indianapolis, IN 46224**

For many local presidents and their guests, the information gained at Presidents Day proves the most helpful of the year. This event also is your best bargain financially, for LWVIN is the host. So plan now to hear state auditor Tim Berry discuss "Transparency in Government," to learn more about the reorganized LWVUS web site, to better understand LWVIN advocacy efforts, and to choose among workshops on Voter Suppression Efforts, Maintaining LWV Status, and Using Education Funds. We want every local president to bring two other interested members. A snack breakfast and a satisfying box lunch will be provided.

Please join us! Registration is simple. Just e-mail to [event@lwvin.org](mailto:event@lwvin.org) the following information: each participant's name and e-address, plus your League name.
