

LEGISLATIVE UPDATE      April 2 thru April 6, 2007  
FROM **Paulette Vandegriff, Legislative Action Network**

This is the last chance bills for all bills as 3<sup>rd</sup> readings must be completed by April 10<sup>th</sup> in the House and April 11<sup>th</sup> in the Senate. As of this writing, no committee hearings are posted. It is unlikely there will be testimony permitted in conference committees. As you know, no testimony is permitted on the floor of the House or Senate except by legislators. Don't be surprised if attempts are made to attach abortion amendments even at this late date.

This is what remains of the legislative calendar:

- April 10<sup>th</sup> - last day for 3<sup>rd</sup> reading of Senate bills in the House
- April 11<sup>th</sup> - last day for 3<sup>rd</sup> reading of House bills in the Senate
- April 11<sup>th</sup> - last day for House adoption of conference committee reports without Rules Committee approval
- April 11<sup>th</sup> - last day for Senate adoption of conference committee reports without Rules Committee approval
- April 29<sup>th</sup> - Adjournment
